

**Dawn and Michael are prime examples of the industry, vision, and entrepreneurship that abounds in Kings Park today as it has throughout the years. Together, this brother and sister team have been the deservedly proud owners of Signarama of Huntington since 1988. Signarama provides in-house design and fabrication capabilities to many discerning clients including the New York Islanders, The Julliard School, SUNY Stony Brook -- and the grateful supporters of the Kings Park Heritage Museum.**

**Dawn and Michael are Kings Park residents who, between them, currently have 7 children enrolled in KP schools. Michael himself is a 1992 graduate of Kings Park High School. Paul Tiritter, Dawn's eldest son, graduated from KP High in 2013 and now assists his mom and his uncle in their bustling business.**

**Firm believers of 'Paying it Forward', Dawn and Michael have generously supported a variety of non-profit organizations and causes with donations of promotional materials and signage. They have also made it a point to employ many Kings Park students over the years. Their most recent endeavor is to contribute their expertise to an Eagle Scout whose project is a new custom carved Welcome to Kings Park sign. Their creative perspective and engineering vision will soon be available for all of us to enjoy whenever we come back to Kings Park.**
