

Leo P. Ostebo Kings Park Heritage Museum

Curator Director: Leo P. Ostebo
Assistant Director: David Flynn
President: Joann Galletta Hahn
Vice President/Sec.: Gail Hessel

Individual/Family/Corporate Sponsorships

For almost 25 years, the Kings Park Heritage Museum has been cultivated and developed to provide a gallery of artifacts, photographs, records and memorabilia relating to the Kings Park community, Kings Park Central School District and the greater surrounding North Shore communities. Its mission has been to preserve the town's development with its rich significant history, from pirates to Revolutionary War, from cultural diversities to the growing community of today and its traditions. The museum provides educational services for students and the general public and has been awarded for being the only school-community museum in the United States.

In an effort to continue our progress, we seek financial support. As the museum is under the authority and supervision of the Kings Park Central School District, it is self-sustaining and not funded by the school district in any manner. We are respectfully asking for individual and family sponsorships to help reach our growth goals, proceed with projects of restorations and improvements and continue making the Kings Park Heritage Museum one of the most recognized and respected history museums.

All sponsorship donors will have their name(s) on the Heritage Donation Sponsorship Donors page. As well, from September through June, we hold several Cultural Events and Hall of Fame celebrations. You're invited to every event and to enjoy tours of the museum. Please refer to our website and the Events Calendar. Call for any questions and to schedule your tour(s). Thank you in advance for your contribution. To learn more about our museum, go to KPHeritageMuseum.net.

All checks made payable to *Kings Park Heritage Museum*. Mailed to 99 Old Dock Road Kings Park, NY 11754.
